

Viewing usage reports

The information on this page refers to License Statistics v6.0 and newer, which introduced a new user interface (UI). If you are using a version previous to v6.0, see [documentation for previous versions](#).

The **Reports** section in the left navigation pane includes many useful reports on specific usage details, including [current users](#), [usage per user](#), [usage history comparison](#), [realtime utilization](#), [realtime users count](#), [expiring features](#) and [realtime borrowed licenses](#), as described in the following sections.
