

Changing password

The information on this page refers to License Statistics v6.0 and newer, which introduced a new user interface (UI). If you are using a version previous to v6.0, see [documentation for previous versions](#).

To change the password you use to log in:

1. Click **Account Settings** in the upper right of the License Statistics page.
2. From the **Change Password** panel, you can change your password by entering your existing password and new password.
