License Statistics v6.0.1 Release Notes

License Statistics version 6.0.1 includes the fixes detailed below. Most of these improvements were made in response to customer feedback. For more information on how we incorporate customer feedback into our development process, see Customer-driven development.

For information about activating your License Statistics license, see Activating a License Statistics license on Windows or Activating a License Statistics license online.

> ⚠️ In addition to learning about the changes in this release, we highly recommend reviewing the License Statistics v6.0 Release Notes, License Statistics v5.15 Release Notes and License Statistics v5.14 Release Notes if you are upgrading from an older version.

Fixes

License Statistics v6.0.1 includes the following fixes.

Issue #	Description
User Interface	
LICSTAT-16110	Fixed an issue with allowing non-administrative users to access edit feature form.
LICSTAT-16109	Fixed an issue where selecting "All" license servers from a report page caused some page elements to become unresponsive.
LICSTAT-16099	Fixed an issue with displaying hidden servers in Visible Features list on Feature Visibility tab.
LICSTAT-16094	Fixed an issue with some columns not being hidden in the Usage Per User grid on the Dashboard.
LICSTAT-16079	Fixed an issue with user's selection for number of visible rows to show on grids not being persistent.
LICSTAT-16067	Fixed an issue with redundant API requests while loading data on some pages.
LDAP	
LICSTAT-16122	Fixed an issue with administrative user being reduced to non-administrative user during LDAP authentication.
LICSTAT-16118	Fixed an issue with obfuscation error while importing user groups from LDAP.
LICSTAT-16112	Fixed an issue with LDAP-authenticated user having ability to change their local password.
LICSTAT-16108	Fixed an issue with querying LDAP users without providing domain name.
LICSTAT-16107 LICSTAT-16091	Fixed an issue with improper handling of password field in LDAP Configuration form.
LICSTAT-16104 LICSTAT-16100	Fixed an issue with navigating through LDAP tree by replacing LDAP client library.
Additional issues	
LICSTAT-16119 LICSTAT-16080	Fixed an issue with sending redundant license server status notifications in some cases.
LICSTAT-16102	Fixed an issue with obfuscation error when failing to load a floating license.
