

# License Statistics v6.10.1 Release Notes

License Statistics version 6.10.1 includes the fixes detailed below. Most of these improvements were made in response to [customer feedback](#). For more information on how we incorporate customer feedback into our development process, see [Customer-driven development](#).

For information about activating your License Statistics license, see [Activating a License Statistics license on Windows](#) or [Activating a License Statistics license online](#).

In addition to learning about the changes in this release, we highly recommend reviewing the [License Statistics v6.0 Release Notes](#), [License Statistics v5.15 Release Notes](#) and [License Statistics v5.14 Release Notes](#) if you are upgrading from an older version.

## Fixes

License Statistics v6.10.1 includes the following fixes.

Issue #	Description
LICSTAT-18642	<div>Fixed an issue with Agent failing to report Autodesk usage, with the error: <i>Scheduled action failed: Error querying database.</i></div> <div> Both the License Statistics server and License Statistics Agent must be updated to version 6.10.1 to resolve the issue.</div>
LICSTAT-18557	Fixed an issue with online License Statistics Agent failing to detect active application usage.
